

Herald Community Club 2008 Membership Form

We would like to count on your support as a community member by inviting you to become an active member of The Herald Community Club (HCC).

Each year, the HCC is responsible for planning and executing many of the special events that take place in Herald. These events are traditional and bring enjoyment to our community as well as our neighboring communities.

We also contribute monetarily to the many local organizations, as well as schools, special interest groups and individual members of our community throughout the year.

HCC Meetings occur monthly on the 1st Wednesday of every month at 7pm at Hendrickson Hall, and although attendance is optional, your suggestions, ideas and thoughts are always welcome.

For a nominal membership fee of \$5.00, you can make a difference in our community!

Please check off all areas in which you would be willing to assist and note if you would consider chairing any particular event:
